Skegness Aquarium Disclaimer and Indemnity

I hereby acknowledge that undertaking an underwater dive is considered a high-risk activity. I accept I have been made fully aware of and confirm that I fully understand the dangers and risks involved in underwater diving (including but not limited to the medical risks and risks associated with underwater diving at Skegness Aquarium with potentially dangerous animals). In particular, I acknowledge that animal behaviour can be unpredictable. I hereby confirm that, unless where Skegness Aquarium negligent, I will not hold Skegness Aquarium, and any company within the same group of companies and any of their representatives responsible for any liability, expense, loss, claim, damage or injury howsoever caused suffered by me which may occur as a result of my participation in underwater diving at Skegness Aquarium.

I hereby agree to forfeit my dive experience booking if it has been scheduled, at minimum, 24 hours before a flight. In this case, a flight refers to chartered/private flights overseas, helicopter rides or any aviation activity whatsoever.

I acknowledge that I will receive and adhere to pre-dive briefings and confirm that I have read and fully understand all the instructions relating to the dive, the conduct requirements of the dive and the dive plan details. I confirm that I have provided all information requested by Skegness Aquarium and that all such information provided is complete, accurate and not misleading.

I agree that should I for any reason, deviate from the instructions relating to the dive, the conduct requirement of the dive and/or from the dive plan, or if I have failed to provide all requested information or have provided incomplete, incorrect or misleading information, Skegness Aquarium may abort the dive without refund of monies to me. I agree to indemnify Skegness Aquarium, any other company within the same group of companies and all of their representatives from all liabilities, expenses, losses, claims or damages suffered by all or any of them as a result of any such deviation, failure to provide by me.

I acknowledge that the decision of Skegness Aquarium whether or not to allow me to participate in an underwater dive at Skegness Aquarium is final. I also acknowledge that this disclaimer and indemnity does not affect my statutory or other legal rights.

Full payment **MUST** be made to confirm a booking. Skegness Aquarium does not hold provisional bookings for dives.

Skegness Aquarium Young Persons Suitability Disclaimer

The recreation of Sub-Aqua is participated by thousands of people annually and is enjoyed by many. However, the activity does pose some risks, as is the case with all extreme sports. There are significant control measures in place, as part of the Skegness Aquarium Sub-Aqua Experiences, in order to reduce these risks significantly.

Sub-Aqua can pose a pressure related risk to the lungs, sinuses and/or ears. Also there is an inherent risk of panic which can cause serious injury or, in the very worst case, death. Whilst Skegness Aquarium promote the 'diving for all' approach, there are some considerations to factor in when dealing with participants of the age 16 or younger. The human body develops at differing rates from one individual to another. Skegness Aquarium work closely with the British Sub Aqua Club (BSAC) to develop a minimum age bracket for all experiences. This minimum age bracket allows for participants to enjoy activities from the age of **6 and 11** for the BSAC Shark Snorkelling Ranger Experience or **10 and above** for the BSAC Shark Educational Dive.

The above minimum age bracket has been determined using an average participant for the respective demographic. Skegness Aquarium place sole responsibility on the parent/guardian to evaluate the physical and emotion readiness of the participant(s).

When making such a decision it is important to consider the comfort levels of the participant(s) when in water. The use of breathing apparatus can cause a claustrophobic sensation in rare cases, this sensation can be heightened by a child with unsuitable emotional readiness. Both the BSAC Shark Snorkelling Ranger Experience and the BSAC Shark Educational Dive are conducted in **Salt Water** with temperature ranging from **22°C to 28°C** which cannot be avoided due to animal welfare obligations. It is essential to consider the physical readiness of the participant(s) with regards to thermal characteristics.

If in any doubt when evaluating the readiness of participant(s) then please make contact with Skegness Aquarium to discuss. Further consultation can be made with a local GP or physician regarding any medical history and/or suitability for the activity.

For **ANY** participant(s) between the ages of **6 and 16** the disclaimer below **MUST** be completed by the assigned parent/guardian:

I/We understand that all responsibility for the respective experience is placed upon us as the parent/guardian for the child. I/We have read the above information and successfully evaluated the physical and emotional readiness of the participant(s). Should the participant fail to complete an experience then this does not classify for a refund, as per the Skegness Aquarium Terms and Conditions. If the participant(s) fail to complete the experience then the child must be minded and collected from the Dive Training Area

BSAC Shark Educational Dive medical and responsibility declaration

Scuba diving is a safe activity. Anyone with a medical history of diabetes, blackouts (epilepsy etc), perforated eardrums, high blood pressure, heart disease, any lung or respiratory disorder (such as asthma) or dependence on drugs may not be able to dive safely. If this is the case, specialist advice must be obtained before contemplating taking up this sport, including participation in a BSAC Shark Educational Dive.

Try Dives are available on the understanding that the person taking part:

1. Considers themselves medically fit and does not suffer from any of the disqualifying conditions mentioned above
2. If medically unfit, has obtained approval to dive from a medical referee, ukdmc.org
3. Will, in the interests of safety, comply with all instruction given to them by the instructor
4. Is able to swim and is confident in water

There is no lower age limit for participation in a Shark Educational Dive set by BSAC, but Skegness BSAC Diver Training Centre may impose a limit of minimum age or stature as they consider appropriate.

Every precaution will be taken for the safety of visitors and Skegness BSAC Diver Training Centre reserves the right to terminate the session should there be reason to doubt fitness, ability or suitability to dive.
